BSLL PARENTS MEETING 2024

Trask Colby - PRESIDENT

Beaumont Softball City Little League is a non-profit organization whose mission is to “promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Softball.”

Beaumont Softball Little League was established in January 2015 but has been a part of the community for many years prior. We established bridging two communities of Softball Players from Hollywood Rose City and Wilshire Riverside Little Leagues (adding Parkside Softball Players a couple years later). We are here for Softball Players and its community. Promoting girls to become young women who are well rounded, independent- leaders, and who are superior citizens in the community. Through proper guidance and exemplary leadership, the Little League program assists children in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Softball program is designed to develop superior citizens rather than superior athletes.

We do it for the kids!
